We have on hand a large number of Pianos and Player Pianos accumulated during the spring months. Many of these instruments were purchased before manufacturers' wholesale prices were as high as they are now. A part of this stock was ordered for our Christmas trade, but arrived too late, and have many used Pianos taken in exchange; also have other instruments en route that are due to reach us any day. Our store is now jammed with Pianos, with more to come in. We have a great number of Pianos ordered for our Fall trade, which we must make room for.

This makes it advisable that we reduce our stock of Pianos and Player-Pianos immediately. Every new and used Piano and Player-Piano in this stock we want to sell at once. We have gone over this stock—our prices have been reduced. We are determined that not one single, solitary Piano or Player remain in this stock if we can sell them. The best bargains will naturally go first. Come early. Bring what you can for a first payment. We will attempt to arrange terms to suit.
